Teaching/Learning with MLDs

- MLDs can be available at all times
- Help enhance lessons in classroom
- Allow learning on the go: recess, home, etc
- Using today's real-world tools
- 21st Century Skills

Internet and Data

- Mobile Internet
- Web 2.0 Apps
Poll4, Socrative, Blog, Wiki, Prezi,
VoiceThread, Facebook, Google Docs
- Internet Videos
YouTube, SchoolTube, TeacherTube
- Google Searches

Student Response - Clickers

- Use Texting as a form of clickers
- Poll Everywhere.com (poll4.com)
- Socrative
- Formative Assessments
- Backchannel

There's an App for That

- Most MLDs have Applications available
- Many free, some cost – Some good, bad
- Educational and game related
 - Flashcards - E-readers
 - Dictionary - Diagrams
 - Fun Games - Educational Games
 - Calculators - QR Code Readers

QR Codes

- Quick Response Codes
- Free to create
- Free to read (app)
- Add information in code
 - Book synopsis
 - Art info in Art Show
 - Scavenger hunt

Red Laser, Google Googles

Content Management Software

- Educational software on device
- Generally a cost per device

<ul style="list-style-type: none"> • GoKnow • Brainchild Achiever • Edmodo 	<ul style="list-style-type: none"> Project K'nect Learning.com Moodle
---	--

In Practice

- Reynoldsburg City Schools Pilot
- 160 MLDs into hand of 6th grade students
